

## THE DEONTOLOGICAL AND ETHICAL CODE OF MOZAMBIQUE

By Lopo Vasconcelos (IAGETH Vice Present for Africa), Maputo, Mozambique

The Geological Mining Association of Mozambique (AGMM), one of the IAGETH partner associations, has developed a 1 year activities program to commemorate its 10 years of existence.

One of the activities was the discussion and approval of the Deontological and Ethical Code of the Mozambican Geoscientist, during a General Assembly of AGMM on the 20<sup>th</sup> March, 2014, which was witnessed by the IAGETH President, Prof. Jesús Martínez-Frías, who was invited to Maputo for this occasion from the 17<sup>th</sup> to the 20<sup>th</sup> March 2014.

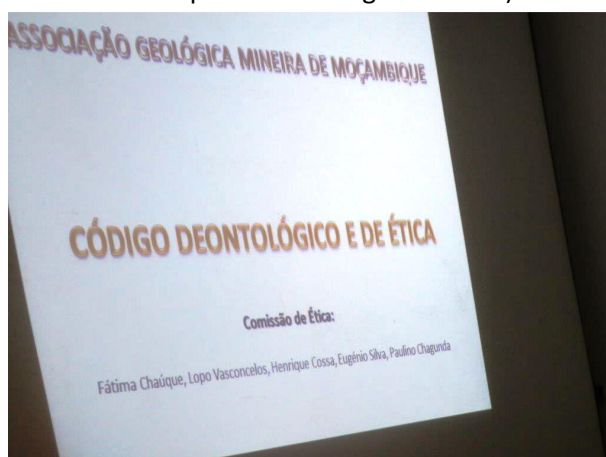

To end up this 1 year commemoration activities, AGMM organized a series of events on the Geologist Day, 30<sup>th</sup> May, amongst which was the presentation of the Deontological and Ethical Code. This took place at the facilities of the Natural History Museum in Maputo, and presented by Paulino Chagunda, one of the members of the Ethical Commission of AGMM. The pictures show the moment of this presentation. The ceremony was chaired by the President of AGMM, Mr. Daud Liace Jamal.
